St. Aidan's Play & Learn is:

- a friendly and fun place.
- a place for carers to chat and support each other
- a place for children to learn, develop and socialise.

Our program teaches young children through play and structured sessions. It includes:

- free play time • sandpit • outdoor and indoor toys • play dough • craft • movement • music and singing • story, speech and reading readiness
- fruit time for the children (tea and coffee for the adults).

Activities are prepared and facilitated by dedicated members of our church, who have had many years of experience in early childhood development and education. We have a 'theme' each term - Term 1 - Colours, Term 2 - Parts of Me, Term 3 - Numbers, Term 4 - Animals and Christmas

Participation in all activities is encouraged for both adult and child but if your child is restless or doesn't wish to join in, please feel free to play outside with them.

'Play & Learn' is Christian based and contains Christian songs, stories and craft.

Part of your \$5 weekly contribution to 'Play & Learn' helps support the church's mission in Uganda - a mothers and babies group of some 40 families, living in extreme poverty.
