

# junior jivers

sing | dance | move | story

St Aidan's Longueville Junior Jivers is a Christian music & movement programme for children under five, meeting in the church foyer on Tuesday mornings from 9:45am during school terms.

The programme begins at 10am for about 30 minutes and we share morning tea together afterwards.

Parents & carers join with their children for our time together, singing well known songs, nursery rhymes and Christian songs, playing instruments, movement, dancing and stories, including simple bible stories.

Please bring morning tea/lunch for your little one and a gold coin for them to put in our piggy bank!
